

Remarks

Claims 8-12 are pending in the present application after cancellation of claim 7. Claim 8 has been amended. No new matter has been added.

Applicants thank the Examiner for indicating that claims 10-12 have been allowed.

The Examiner objected to claims 8 and 9 as being dependent upon a rejected base claim, i.e., claim 7, but the Examiner indicated that claims 8 and 9 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Since claim 8 has been amended to incorporate the features of base claim 7, Applicants submit that claim 8 and its dependent claim 9 are in condition for allowance.

Remarks

In view of the foregoing, Applicants submit that the present application is in condition for immediate allowance. Prompt reconsideration and allowance of the present application are respectfully requested.

Respectfully Submitted,

KENYON & KENYON LLP
